- ◆ Highly Efficient
- ◆ Simple and Easy to Maintain Data
- ◆ Online Fee Payment Facility

3000+

Schools

SCHOOL MANAGEMENT SOLUTION

that simplifies your school management

- ◆ A smart Solution that is simple to use.
- ◆ An apt School Management Solution that has changed the way School works and administers its day to day operations
- ◆ Solution and the modules are well thought over and based on the extensive research, given our long-time association with more than 3000+ schools.
- ◆ The Modules precisely cater to needs of the Institute unlike the other solutions that provide unwanted and non-usable Modules and options that confuse the school
- ◆ Reduces management efforts and maximizes efficiency of School Management Systems
- ◆ Helps the School Management in gaining an insight into the end-to-end administration of the school without wasting time on piles of records.
- ◆ Restricted User Access to the respective Staff

BENEFITS FOR PARENTS

- ◆ High Data Security
- ◆ Get Instant attendance update of your ward
- ◆ Get Exam Schedule on the Mobile App
- ◆ All communication from School in one place
- ◆ Leave Application on App
- ◆ Online Chat Facility with Teachers
- ◆ Details of Staff handling Class
- ◆ Holiday / Events Calendar
